amy

Hi, I'm amy, Challenger Jungle player since 2020.

I'm looking for professional play opportunities!

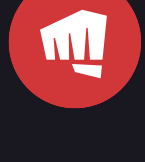

You can find me live streaming on Twitch or TikTok, where I post educational clips.

rank:

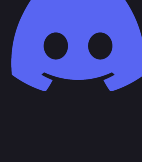

League of Legends - Challenger I

Valorant - Bronze III

something i struggled with was having to play my ranked games alone, because all my friends are in different ranks. this is no longer a problem after i found out about playbook. i'm so glad playbook exists, it's nice to be able to queue up with new friends. 10/10 recommend to all people who love games.
